

How to register / set up Shop with Scrip (SHS Band Fundraiser)

Go to www.shopwithscrip.com and click Register. Then click 'Join a Program' to join. Later when you come back you'll click 'Sign in'. There's a couple of start page options. Here's the two that we see most often.

If you landed on the 2nd start page, you'll see this next page after clicking Register. You will want to join an existing program.

REDEFINE FUNDRAISING.

Forget about traditional fundraisers that involve selling, event planning, or spending extra money. With gift card fundraising, families can simply earn money for your organization by purchasing gift cards from more than 750 top brands they already shop for everyday things. Your earnings come directly from the brands you shop, not your pocket, so your gift cards are worth full value.

FOR FAMILIES:

Join your group's existing program

If your organization (school, church, sports team, scout troop, etc.) already have a program, it's easy to get set up with an account that earns for your organization. All you need is your organization's unique enrollment code. If you don't know your code, you can ask your program's coordinator.

OR

FOR COORDINATORS:

Start a new program

If your organization is ready for a better way to fundraise, you've come to the right place.

For more information on gift card fundraising visit ShopWithScrip.com or give our Customer Support team a call at 1-800-727-4715 Option 3.

The screenshot shows the ShopWithScrip website's 'Set Up Two-Step Authentication' page. At the top left is the ShopWithScrip logo. The top right navigation bar includes 'TEST', a user profile icon, 'CART', and a '0' in a blue circle. Below this is a secondary navigation bar with links for 'Dashboard', 'Shop', 'What's New', 'Support', 'Blog', 'Contact', and a search icon. The main content area has a blue header bar. The title 'Set Up Two-Step Authentication' is centered. Below the title is a paragraph explaining that two-step authentication adds security and that users will receive a text message or voice call with a secure code. There are two radio button options: 'Text Message' (selected) and 'Call'. Below these are two input fields: 'Phone Number' with a placeholder 'XXX-XXX-XXX' and 'Phone Name (Ex: Mom's Phone) Optional'. A blue 'SEND CODE' button is positioned below the phone name field. At the bottom, a small informational note states: 'We will only use this number for account verification. To protect your account, please do not share this verification code with anyone else. We will never call or email you to ask for your code.'

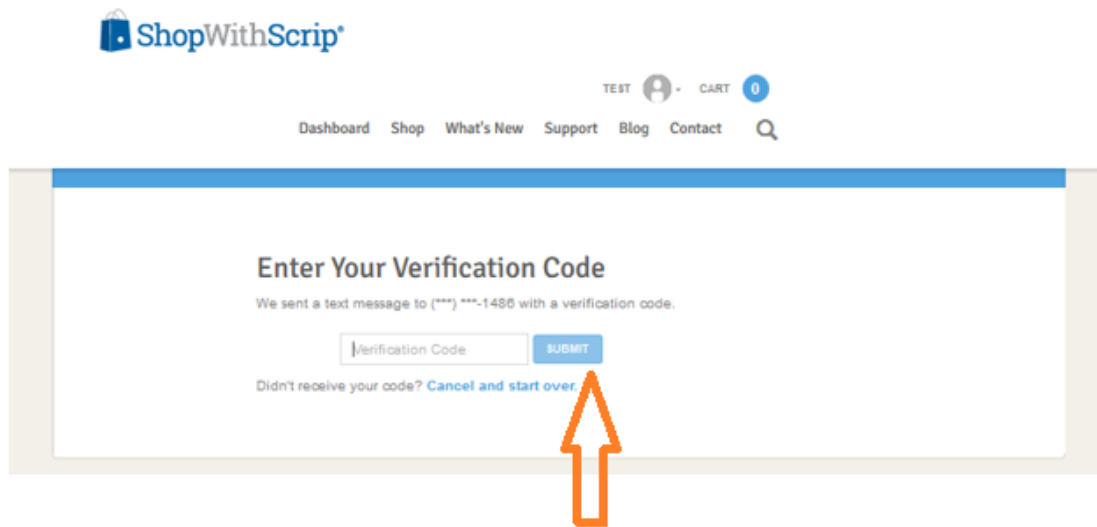

Check your texts and you'll enter YOUR OWN verification code in the next screen.

The screenshot shows the ShopWithScrip website's 'Enter Your Verification Code' page. The layout is consistent with the previous screenshot, including the logo, navigation bars, and blue header. There is a single input field labeled 'Verification Code' and a blue 'SUBMIT' button to its right. Below the input field is a link: 'Didn't receive your code? [Cancel and start over.](#)'

Here's a sample text:

Whether you choose to pay with your bank account or credit card, make sure to always have enough funds available at time of purchase or you may incur unnecessary fees.

You will pick how you'd rather link your Shop with Scrips account up to your bank account – you either log in with your online banking information by clicking the “Instantly Link a Bank Account” on the left or you enter your account numbers, wait a day or two and then log in to tell them what the small deposits made were. Either way when you've done this step you will create your PIN. Your PIN is how you will confirm your payment amount later. Keep it safe and don't lose it.

Whether you choose to pay with your bank account or credit card, make sure to always have enough funds available at time of purchase or you may incur unnecessary fees.

You can select giftcards alphabetically, by search, or by most popular. On special days you'll see selections to get bonus rebates.

When you select a gift card you can pick physical or app as a way to receive the card. I am looking on Thank-Scrip-ing Day and I selected Chili's.

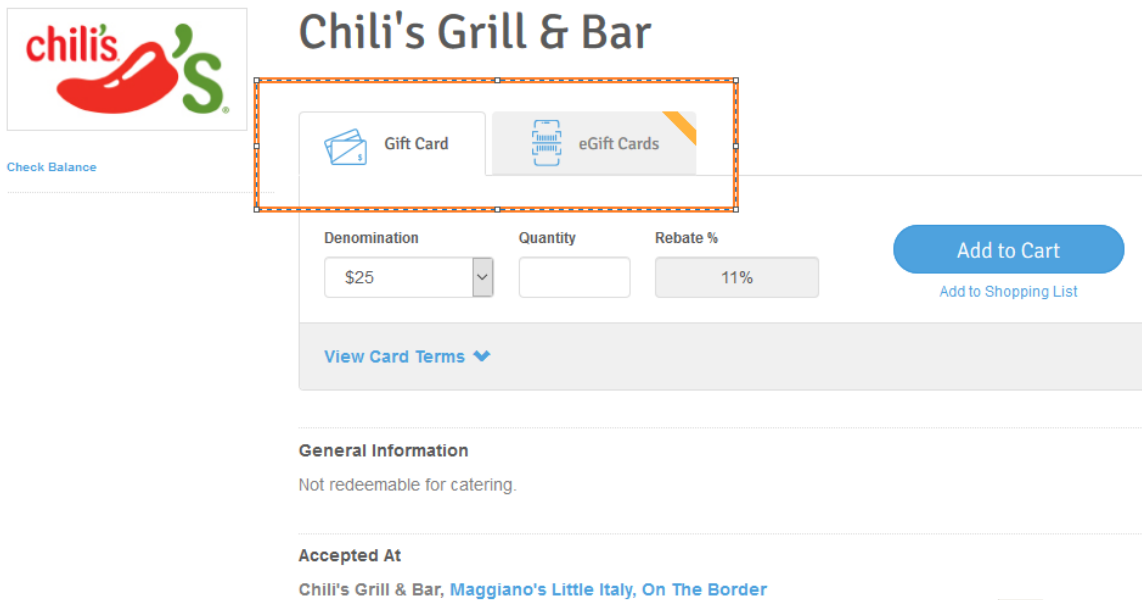

If you select physical card option that the card doesn't come straight to you.

The physical card will go to the band's current Scrips Coordinator. They will request them from Scrip at the end of the month and distribute them to you.

Orders during November and December for physical cards' deadlines & estimated delivery dates will be posted on the [Summit Spartan Marching Band Fans facebook page](#) and also may be mentioned in the board's newsletters.

Select the tab for which one you want to buy.

I am going to select eGift Cards as there's a bonus on it. I have selected \$10.
